Class Parent Signup • Back to School Carnival • PCA Meeting • School Photo Days • Scholastic Book Fair • Programs

We hope everyone is settling in after the first few days at school. We are very excited for another great year at our amazing Sea Cliff School. In order to limit the amount of email that is sent we are sending our monthly newsletter that will provide details of upcoming events and PCA programs. We hope you will be proactive in reading this and hope you use this as a source for PCA News that you can go back to and reference throughout the month.

Click for Class Parent SIGN UP **First come first serve.** Please sign up to be a class parent (2 parents total per classroom). Your responsibilities combined are to attend each PCA meeting, collect class dues, PCA dues and suggested teacher gifts to parents in your child's class. You will be the go to person for your class and have knowledge of PCA ongoings. You will also be responsible for communicating with the teacher regarding field trip chaperones if necessary and ensure fairness in chaperone selection. We will have a meeting once the entire list has been filled to discuss more and answer any questions you may have.
