

About the PCA

The purpose of the Sea Cliff Parent Community Association (PCA) is to encourage parent involvement at Sea Cliff Elementary School.

We work together to offer school community enrichment in the form of social, cultural and academic events and programs. Through PCA fundraising we are able to provide our children with learning enrichment and community-building activities.

These special events are funded through our PCA-sponsored events, fundraisers, and the collection of membership dues.

Our goals are to:

- Foster community building among Sea Cliff School families, faculty and staff in service of a diverse experience that brings out and supports each student's gifts
- Bring outside cultural arts experiences to Sea Cliff Students
- Make our voices heard throughout the District by encouraging SC PCA volunteers to represent parents in the District Coordinating Council, Principal's Advisory Committee, Health and Safety Committee
- Plan and operate a number of special programs and events

Our SPCPA is so successful because of our incredible group of volunteers. If you would like to find out more information about the SPCPA or if you would like to volunteer please email us at seacliffpca@gmail.com.

Join Us! Upcoming meetings

- 9/25 Newcomers Breakfast 8:30 a.m.
- 1/8 Meeting 7:45 p.m.

monthly newsletter
to get all the latest
news from the PCA.**

Our Programs

SCPCA Enrichment

Each year the Sea Cliff PCA runs a series of after school programs. There are 3 sessions per year. We seek to bring a range of programs to enable students to pursue their existing interests and develop new ones.

The classes typically run for one hour immediately following school.

If you or someone you know would be interested in offering a course, please contact SCPCAEnrichment@gmail.com

Sea Cliff School Garden

Our initial goal was to practice and teach organic methods of growing vegetables in order to help our students understand where their food comes from and inspire them to create organic and sustainable gardens at home, whether it be a collection of pots on a balcony or a more ambitious row of raised beds in a fenced-off area of their yard. Now, after two years of building momentum, we have a proven template for a successful four-season garden, and we are poised for ongoing success as well as expanded function for this magical space.

Sea Cliff Spirit Wear

Throughout the year we fundraise by selling SCS Spirit Wear. You can find gear sold at our events, at the school lawn after school or at pop-up sales. These will be advertised.
